Promoting excellence in education...

Foundation for Fort Mill Schools

is an essential resource connecting students, teachers, and the community in the heart of Fort Mill, South Carolina, established in 2003 as a 501 (c) (3) non-profit organization.

Our sole mission is to promote academic excellence in the Fort Mill School District. We value great educators and outstanding students by focusing on two key programs: Innovative Classroom Projects and Scholarships to high school seniors.

Innovative Classroom Projects

Annual grants of \$500 are awarded to teachers for Innovative Classroom Projects - projects that identify special opportunities which encompass innovation, creativity, educational value, student involvement and teacher commitment.

"Pairing fiction and non-fiction books purchased with grant money from FFFMS, my students have increased their engagement and comprehension of difficult subject areas."

- Ms. Jessy Belue, '08 - '09 Grant Recipient, Riverview Elementary School

Scholarships

Scholarships provide essential financial support for today's college students at a time when college degrees are required for more workforce positions and earning a degree is more financially demanding than ever. To help corporations, community groups and individuals give back, the Foundation for Fort Mill Schools establishes and manages scholarships tailored to the specific goals of sponsors.

"Thank you for selecting me for your scholarship. It will greatly help me next year in college. Thanks again for this opportunity."

- Samantha Fife, 2008 Mac and Phoebe McCallum Scholarship Recipient
